I Still Call Australia Home

(excerpt)

*I've been to cities that never close down
From New York to Rio and Old London Town
But no matter how far or how wide I roam
I still call Australia home*

*Someday we'll all be together once more
When all of the ships come back to the shore
I realise something I've always known
I still call Australia home*

*But no matter how far or wide I roam
I still call Australia
I still call Australia
I still call Australia home*
